Happy Friday West Sylvan Middle School Families,

There is no school for our scholars today, Friday, April 8, while our educators work on quarter grades and plan for the upcoming quarter. We hope that you enjoy the three-day weekend together. Any classes that are quarter-long electives will change on Monday, April 11 for the final nine weeks of the 2021-22 school year.

Forecasting for elective classes ends TODAY, April 8th. Our Counselors have visited all of our feeder schools to explain Middle School and talk about the electives. Please click [here](#) to view the full message that was sent previously. We are adding one new elective, Arabic, for a high school credit world language option for 22-23. If your scholar previously selected another world language and would like to switch to Arabic, please send the request [here](#).

Please access the comprehensive information on the West Sylvan [website](#) under the “Forecasting 2022-23” tab (next to Quick Links).

WSMS Foundation Oaks Park Event for 8th graders: This will be an optional evening event for our 8th graders hosted by our WSMS Foundation at Oaks Park on Friday, June 10th. Through the American Councils for International Education, WSMS has been awarded a grant for a fully-funded educator to join our team to teach Arabic for up to 20 hours a week as an additional World Language option for the 22-23 school year. We are looking for a family willing to host the educator, who is coming from Egypt, and will be joining the WSMS team. Through American Councils, the educator is given a living stipend to pay for living accommodations, if hosted by a private family. There would be two needs:

1. A host family to provide a comfortable space for the educator to stay for the first two weeks upon
